

STÓ:LŌ SIGNAL PODCAST NOTES

Episode 3: What is a Treaty Anyway?

Host: Sharon Desnomie

Other Voices (in order of appearance): Helen Paul Bonner, Grand Chief Steven Point, Jean Teillet, Grand Chief Joe Hall, BC's Minister of Indigenous Relations and Reconciliation Scott Fraser, Minister of Crown-Indigenous Relations Carolyn Bennett, Roy Francis, Elaine Malloway.

“What is treaty? It's an agreement. An agreement between nations. . . We've never signed a treaty where we've given up our land. Yet Europeans have come. They've occupied our territories, they've taken our trees, they've taken our minerals. We've never been recognized for all that we've given up. A treaty will finally set us on the correct path as a nation. A nation with a treaty with the Canadian government.”
