PODCAST NOTES

Episode 8 – Ma:mt' lam te mekw wat. "Share with everybody."

Guests: Naxaxalhts'I, Dr. Albert (Sonny) McHalsie

When Stó:lō Elder Elizabeth Herrling told Sonny McHalsie that knowledge is only important when you share -- that you could be the smartest person in the world and know everything, but if you don't share it, it's meaningless -- it set him on a path to become the Nation's historian. Listen in as Naxaxalhts'I shares stories about his work recording Elders, learning history and why he thinks that all Stó:lō need to hear what he has learned.
